

THE RETREAT

function menu

start by choosing:

picky bits

or

hot bites

All of our party menu options are prepared fresh on site by our team of chefs. We have designed this menu based on our many years of experience catering for parties small and large and diligently observing what works and what doesn't - which plates come back clean and which meals are easier to consume standing up with a napkin in your hand. We hope you find our food options suitable and we *know* your party guest will find them delicious!

FAQs

What is the minimum number of people you can order from the function menu from?

This party menu will work well for any groups of 15 people and above. If there are fewer than 12 people in your party, we would recommend preordering from our standard menu, which you can download from our website.

Can I make any changes to the menu?

We are confident all members of your party will enjoy their food, but if there is a specific substitution you would like to make, or if you have special dietary requirements, please contact us and we will do our best to accommodate your needs.

What about drinks? Do I have to order these separately?

Unless you opt to add teas and coffees to your party menu, there are no drinks included in the price. We recommend our hosts set a certain amount 'behind the bar' for their guests to be able to order to a specific amount (you can specify which drinks are included in that amount, too), or just have their guests pay for their own drinks from the start. We can also discuss an additional drinks package to add to your preorder.

Will I have a private room to use for my party?

We have a private and semi-private areas which are available for private hire. Depending on the number of people in your party, we will be able to advise on the best space to suit your needs

Do you have more questions? Email us on info@theretreatstaines.co.uk or call on 01784 464839 and we will do our best to assist you!
